POSITION: Senior Software Engineer (Cognos TM1) Developer
Full-time job, 40 hours per week
Pay/Salary: \$156,998.00 year.

NUMBER OF OPENINGS: 1

LOCATION: Aggregate Software Technology Inc
2727 Lyndon B Johnson Fwy, Suite 212-7
Farmers Branch, TX 75234

JOB DUTIES: Developing, designing, and deploying Financial Planning, Forecasting, and Budget applications in a collaborative environment. Maintaining the application environment, including managing user security groups, chore scheduling, and overseeing Dev to Prod promotion. Providing development and support for IBM Cognos TM1 modeling tools throughout the project life cycle. Collaborate closely with Finance, Accounting, and corporate teams to deliver high-quality reporting tools and automated processes. Working with business teams to determine reporting metrics and gather requirements. Create Business Reporting/Metrics Dashboards to ensure consistent and standardize reporting. Involve in integrating data from various sources, including Data Warehouse and TM1, to facilitate decision-making. Supporting daily maintenance of TM1 Planning Analytics and implement tool upgrades. Analyzing large datasets using Excel, R, or Python and present findings to stakeholders. Work under supervision. Travel and/or relocation to unanticipated client sites throughout USA is required.

EDUCATION Master's degree in Computer Science /IT/IS/Engineering(Any) or closely related field with Six (6) months of experience in the job offered or as an IT Consultant or Analyst or Developer or Programmer or Engineer or closely related field.

EXPERIENCE Experience should include Six (6) months of working with Cognos and TM1 is required. Travel and/or relocation is required to unanticipated client sites within USA. International travel is not required. The frequency of travel is currently not known as it depends on the client and project requirement that cannot be currently anticipated. Employer provides Information technology

services to various clients in USA and hence implementing projects will require such travel.
